

History Department

Homework task for the first half term (Sept - October)

Deadline for this task: will be in October, the week before you break up for your first half term holiday.

Your task

You need to produce a timeline of your life. You can decide which events from your life to include and which to leave out.

Help to do this task

1. Think about all of the significant (most important) things that have happened to you in the last 11 or 12 years.

Examples

- Having a baby sister or brother
 - Getting a new pet
 - Special weddings
 - Holidays
 - First day at nursery or school,
 - Last day at primary school
 - First day at Millthorpe School
2. Write down when these things happened and a few of your memories about them.
 3. Can you find photos to go with these memories?
 4. Now place the events into the correct chronological order (earliest first, most recent last).
 5. Now you need to decide how you want your timeline of your life to look. Do you want it to be a straight line across the middle of your paper or perhaps a bendy line?
 6. Sketch your ideas on scrap paper first, until you find a design / layout that you are happy with.
 7. Now sketch your time line on to the A3 or A1 coloured paper that your teacher has given you (if you haven't received any then ask your teacher for some).
 8. Add the relevant dates to your time line
 9. Then place your photos and comments at the correct place on your time line.

You can see an example of a time line that Jessica Clark made when she was in year 7. Other examples are on display in C1, you are welcome to come and have a look.
