

# REVISION STRATEGIES

## Cartoon Strips

Take a story or topic and summarise it into 8 boxes.

Use pictures and a few key words.

Read it back to someone.

## Diagrams

Copy important diagrams onto scrap paper and try to memorise it.

Use the Look, Cover, Write, Check method.

On another piece of scrap paper draw and label everything you can remember.

Check it and fill in any missing details.

Repeat until you can remember it all.
