

Dear Parent / Carer

Your child has been handed the **GCSE 2019 Art & Design Externally Set Assignment** question paper. Please support your child by discussing ideas for the question they would like to prepare for. At this stage it is useful for students to consider ideas for more than one question or a range of ideas for the same question. The Art Department have provided a timetable to help your child structure the **9 school week** preparation period (also available on Millthorpes home page in **Updates & Departments, Art, GCSE Resources**). In addition, students have access to our **2019 Exam** launch power point (saved in L drive, Art, **2019 Externally Set Assignment**) with examples of artists work. Students have also been given notes from the power point presentation to support independent research.

Please return the reply slip below by **registration D7 Friday 18<sup>th</sup> January**

**Name of student**..... **Form**.....

Which question(s) are you interested in? .....

Briefly record how you propose to tackle the question(s). **Provide a more detailed description of your ideas on the back of this sheet, including mind maps if possible. Remember that the more information you provide at this stage, the more support we can offer.**

I am aware that my son/daughter has been given the **External Test** paper and has 9 weeks to produce a detailed response to one of the questions. This component of the course carries 40% of the total marks awarded.

Signature of parent / carer .....

**Return to the marked box in D7 by registration Friday 18<sup>th</sup> of January**
