

# Connectives

## To emphasise:

above all      in particular  
especially      significantly  
indeed      notably

## To add information:

and      also  
as well as      moreover  
too      furthermore

## To compare:

equally      likewise  
similarly      as      with  
like      in the same way

## To contrast:

whereas      instead of  
alternatively      otherwise  
unlike      but  
on the other hand

## To sequence ideas or events:

firstly      secondly      thirdly  
finally      eventually      then  
next      since      meanwhile  
afterwards      before

## To further explain an idea:

although      however  
unless      except  
apart from      yet  
if      as long as

## To show cause and effect:

because      so  
therefore      thus  
consequently      owing to
