

Drug Proof Your Kids

As parents, most of us would love to somehow 'drug proof' our children. Not to closet them away, but to empower them to make wise, healthy choices as they encounter the many temptations laid before them.

Can I drug proof my kids?

If you mean, "Can I stop my child from trying tobacco, alcohol or illegal drugs?", the answer is NO.

But if you mean, "Is there any way I can influence the choices my child makes?", the answer is YES.

With generous funding from Tang Hall Big Local, Family Matters York are holding a **FREE** 5-week course at Tang Hall Community Centre looking at how as parents we can reduce the risk of harmful drug use and help our children to make good choices.

Date: Thursdays 9, 16, 23, 30 Nov & 7, 14 Dec

Time: 9.30 to 11.30am
