

In touch with Askham Bryan

January 2021

A regular newsletter to let you know what is happening at Askham Bryan College

Open Events

We are continually developing our new virtual open event platform for our upcoming events. Students have the opportunity to:

- Take a virtual campus tour round our industry-standard facilities
- Find out more via our course and support guides and presentations
- Speak to our staff and students via chat rooms

Next Open Events:

Further Education Open Morning – Sat 30th Jan

Higher Education Information Evening – Sat 19th June

www.askham-bryan.ac.uk/whats-on

Veterinary Nursing:

We are set to be the first centre in the UK to offer the Level 5 Vet Skill Diploma in Advanced Veterinary Nursing. Using opportunities with our many partners, students go on amazing placements.

Equine:

We recently selected our Equine Academy squads, coached by the British 3 day event coaching team – Chris and Jane Barttle.

Floristry:

Our Floristry students designed wreaths and festive floral table patterns for commercial partners.

Animal Management:

We recently hosted our Employer Engagement day, connecting our Animal Management students to 14 local businesses and organisations within the animal industry. Just one of the many additional Features of courses at Askham Bryan College.

Sport:

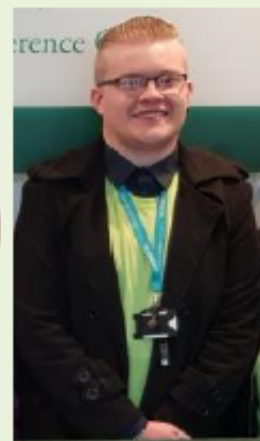

Our Sport students received training from Doncaster Bells RTC Technical Director last month.

In their own words: Kieron, Animal Management student:

"Askham Bryan teaches you how to become more confident.

They help you with work experience to build your CV to become a better job applicant"
