School Improvement Plan 2013/14 (Update 9, 21 January 2014)

We will become a Great school.

We will achieve this by a relentless focus on learning so all learners are supported and challenged to achieve their best.

School Improvement Plan 2013/14 - Summary

We will become a Great school. We will achieve this by a relentless focus on learning so all learners are supported and challenged to achieve their best.

The grid reflects progress with actions, not the impact of those actions. Impact will be evaluated at the end of each action using impact on learner outcomes where available. The first Full Board Meeting of each year will be reviewing the impact of the plan on student outcomes and whether the actions have been successful in achieving the strategic priorities.

	Who	12.13	03.14	07.14	Impact
SP1: Improve achievement through developing teaching	Q&C				
a. We will improve the effective use of assessment within lessons	JPB	G	G		
b. We will improve the effectiveness of homework	JPB	R	R		
c. We will find ways of providing an appropriately high level of challenge for all students, but particularly those at Key Stage 3 and the most able	JPB	A	A		
d. We will give all teachers means of improving their practice, from RI to Good and from Good to Outstanding – these will be through the Teacher Development Team, Head of Department, our Teacher Learning Communities or via individual research.	JPB	G	G		
e. We will provide a comprehensive and representative evidence base to support the performance management of teachers.	JTB	G	G		
SP2: Refine our assessment & intervention procedures	Q&C				
a. At KS4, refine last year's practice in Y11 and introduce the best elements into Y10	TJG	A	A		
b. At KS4, spread what can be generalised from English and Maths into all other subjects, including precise assessment against course components and within-subject intervention following this.	TJG	A	A		
c. At KS4 the Pastoral and Inclusion Team will work closely with identified students from different groups whose progress needs securing.	SXB	R	A		
d. We will provide additional teaching of core subjects at KS4 to improve the attainment of students whose progress is least secure	TJG	G	G		
e. Co-ordinate KS4 assessment between subjects to avoid student workload peaks	TJG	A	G		
f. Roll out Race Diagrams and Flight Paths to KS3 to allow accurate and early identification of failure to make good progress	TRA	A	G		
g. The Inclusion Support Team will prioritise KS3 catch-up intervention for Literacy and Numeracy to support the progress of our least able students.	SXB	G	G

a. We will improve the effective use of assessment within lessons	JPB	<ul style="list-style-type: none"> • Launch the use of the staff planner in line with guidance on Teaching and Learning. • Develop the effective use of peer marking and feedback in line with the school's marking policy and teaching and learning guidance. • Ensure students have access to helpful skill descriptors in all subjects – and especially at the top and bottom ends of the ability spectrum. This will be monitored and recorded as part of QA. • Audit and improve the use of formative assessment within medium term planning. • Launch and embed the use of FBI, CIA and MI5/6 in lessons ('Feedback Before Improvements' and 'Check, Improve, Assess' and Meaningful Improvements – 1,2,3 etc') to allow students to reflect on targets set in summative assessment and make improvements. • Lead on changes to lesson objectives and learning outcomes in line with new Teaching and Learning guidance. • Launch 'let them ask you' – an strategy to train students to ask the right questions and clarify, embed or extend their learning. • Ensure that comments on summative assessment link clearly to the targets on the formative assessment, making the improvement process clear to students. • Student flightpaths and cycle data in all teacher planners to inform teacher planning and to improve assessment and differentiation. 	<ul style="list-style-type: none"> • Teaching, including resources and assessment, is planned and tailored for the needs of each teaching group across the school. • Effective feedback and peer marking a Good or Better feature of 80% of lessons (currently 68%). This reflected in student experience with 80% or more students agreeing that this is embedded (currently 48%) • All grids collated before Christmas and show that all departments have levelled and/or graded descriptors for students in place. • 80% or more students are able to identify their current attainment and what they need to do to improve. Students feel that they are given sufficient time to improve on their targets – (currently 30%) • Lesson objectives and learning outcomes are aspirational for students and are clear in all lessons. • Reduced number of lessons where intervention is not anticipated (currently 25%) 	<ul style="list-style-type: none"> • Lesson observations – Drop-in and Formal throughout the year. • Student voice November/December with cross-section of Years and ability. • Audit Assessment Criteria after October half-term. • Audit of lesson planning by HoDs October 2013.
