

Dear Parent/Carer,

Your child/children have been invited to join the Future HY project with Millthorpe School. Future HY is the North Yorkshire arm of the National Collaborative Outreach Programme (NCOP). We work with young people aged 14 – 19 years old to deliver aspirational activities in areas where progression to Higher Education (Post 18 & Level 4+) is lower than expected based on GCSE attainment.

We will be offering a programme of FREE activities both in school and in the community that aims to support students to make INFORMED CHOICES.

Activities include:

- Trips to Higher Education Institutes and local Further Education Provision.
- Employment and enterprise projects.
- Resources for career development.
- Community Youth Group activity.

Students are encouraged to participate in all activities and we are working closely with the school to ensure we do not affect/disrupt vital school activity.

We are launching to students in school on Tuesday 6th February. This will include a short presentation, interactive activity and making a start on the membership form. In order to be part of the project, students become a member by simply completing and returning a membership form to Mr Noble at school. Please note your child/children will bring the form back home to you as it includes a section for you to provide consent.

We invite you to hear more about NCOP FutureHY on Wednesday 7th February from 5.30 – 6pm. Alternatively contact FutureHY NCOP directly on the e-mail address below.

If you have any questions, do not hesitate to get in touch.

We look forward to meeting you soon.

Yours Faithfully,

NCOP Central Team Higher York
