

Nestlé would like to invite you to explore the wide range of current apprenticeship opportunities with the world's largest food and beverage company based here in York!

Nestlé are “opening the doors” of the historic factory on Haxby road to give you a flavour of what it could be like to work for a multinational business producing some of our favourite and iconic brands!

From helping source cocoa beans, to processing into chocolate, from supporting systems and programs to help forecast demand, to making the products to realise that demand!

We have apprenticeship roles in a wide range of streams to help make sure we delight the customers by giving them what they want, when they want it!

Starting at 5:30pm on Tuesday the 7th of March we will give you the chance to talk directly to people living these roles, chance to tour one of the iconic production plants and learn more about the schemes.

To join us for the evening please drop an email to

yfapprenticeship.recruitment@uk.nestle.com

We'll confirm your attendance and send you more details, space is limited so to make sure of your place - don't delay!
