

Dear Parent/Carers

Year 7 Activities Club
Fridays 3:10 – 4:00 in A2
First session Friday 28 February 2020

I would like to invite your child to our new afterschool enrichment club, which will take place on Fridays from 3.10 to 4.00 in classroom A2. The club will enable students to take part in activities that are interesting, educational and fun. The informal yet structured setting is perfect for making new friends.

Each half term will have a different theme and in summer, some of our activities will take place outside. **This half term we will focus on cooking skills by making healthy, low cost snacks.**

Cooking key skills and knowledge:

- Cooking skills – using different utensils and equipment, whisking, sifting, kneading, rolling
- Maths skills - counting, measuring, fractions, ratio
- Geography/culture – where different foods come from and the diets of people in different parts of the world
- Science – food groups, nutrition and chemical changes
- Health – Safety and food hygiene
- English - Increasing vocabulary
- Social skills – cooperation, sharing and responsibility

The club is fully funded through our pupil premium grant, a sum of money allocated by the government to all state schools, depending on the number students who receive free school meals or who have received free school meals in the past six years (pupil premium students). The club is open to all students in Year 7 but if we are oversubscribed, priority will be given to pupil premium students.

To secure a place at the club, please email me directly a.buzzing@millthorpeschool.co.uk (rather than replying by return to the school office address). Please give the following details:

- 1) Your son/daughter's name and form
- 2) Any dietary restrictions or food allergies
- 3) Consent for your child to stay in school for Year 7 Activities Club until 4.00pm every Friday

Yours faithfully,
Miss A Buzzing.
