Do you want to gain valuable leadership skills?

Then Student Leadership could be for you!

### Role Description

Student Leaders will work together as a team to be ambassadors for the school, demonstrate positive behaviours and be role models for all students by undertaking a role of responsibility. They will manage, organise and implement projects that shape their own school experience and that of their peers.

### Who are we looking for?

This opportunity is open to ANY Year 10 students who are willing to commit their time and enthusiasm to the role. We are looking for Gold Standard Learners who are able to demonstrate that they have leadership potential. Student Leaders need to have the ability to work productively with others, communicate well and use their initiative and originality to contribute in positive ways. Applicants should be students that are responsible, organised and good role models for others.

### What's in it for you?

During their time as a Student Leader, pupils will develop effective leadership skills that are vital in the world of work and further education. Successful candidates will be part of a programme that offers support, mentoring and training to teach skills and attributes that will help them in the future. At the end of the year as a Student Leader, pupils will gain a Leadership Award by successfully demonstrating the new skills they have developed.
