

The Christmas Term Lecture Programme

St Peter's School
PUBLIC LECTURES

Professor Keith Ward: The Christian Idea of God

Tuesday 17 October 7pm

Eminent theologian Professor Keith Ward takes a fresh look at the ancient philosophy of Idealism and shows that a combination of good science, good philosophy, and a passion for truth can underpin religious faith.

Professor Anil Seth: What in the World is Consciousness?

Wednesday 8 November 7pm

Without consciousness there is no world, no self: there is nothing at all. Once the province of philosophy and theology, understanding consciousness has emerged as a one of this century's great scientific challenges.

Barbara Taylor Bradford in conversation

Monday 27 November 7pm

Leeds-born Barbara Taylor Bradford is something of a Yorkshire legend. With her books having sold nearly 100 million copies, she will be talking about her life, her work and her new novel, *Secrets of Cavendon*.

Terry Waite: Survival in Solitude

Wednesday 6 December 7pm

Terry Waite was taken hostage in Lebanon in 1987 and held in solitary confinement for 1,763 days. Following his release in 1991, Terry has gone on to write a number of books and take up presidency of the charities Y Care International and Emmaus UK.

Science Society Christmas Lecture

Tuesday 12 December 7pm

The St Peter's Science staff return for their hugely popular annual lecture, featuring fascinating insights, interactive challenges and dynamic demonstrations, this year focusing on the periodic table.
