This is the sports practice rota for the summer term. Lunchtime practices either start at 12.20pm and finish at 12.50pm or 12.35pm and finish around 1.00pm. After school practices start at 3.25pm and typically finish at 4.30pm. Unless the practice specifies a particular group then the practice is available for all eg. Badminton.

Students are expected to wear appropriate kit and to make sure that they eat after their lunch time practice or at break. Please ensure that home knows if you are to be late home when attending an after school club.

Remember that these practices should be fun and previous experience is not needed. They can also be a preparation for performance for the school team. Some practices you will be expected to show a degree of commitment. If you have any thoughts or ideas about sports teams and practices then please ask your PE staff. Good luck and enjoy yourselves!
