

Summer 2022 Exam and Revision Schedule

Year 11 Arrangements during the GCSE Exam Period.

GCSE Exams begin on Monday 16 May and officially finish on Wednesday 29 June, students need to be available throughout this period. When students are not sitting GCSE exams they must either attend their normal lessons or the scheduled revision sessions. In their normal lesson they will be either revising for that subject, if they still have an exam to sit, or revising for upcoming exams. There is a scheduled revision session before every exam in which we will arrange for the subject teachers to be available in their normal classrooms to revise with their students. This arrangement will continue up to and including Friday 21 June.

The Year 11 Leavers Assembly is on Thursday 30 June, more details to follow, and the Year 11 Prom is on Friday 1 July. Excellent attendance and conduct plus full uniform is expected at all times throughout the exam period.
