

## Year 7 – Unit Three: Animal Antics

In this unit, you will develop skills in English Language and English Literature.

### English Language Assessment - Writing

You will:

- **create** a piece of original writing about animals.

### English Language - Technical Accuracy Assessment

You will:

- **use** apostrophes consistently and accurately in your writing.

### Additional Learning

This unit is 10 weeks long, so there is plenty of opportunity for additional learning!

You will also:

- **develop** speaking and listening skills by taking part in activities like group work, drama and debates.
- **explore** the theme of animals in creative writing, art and practical work, and through other media such as film and music.
