

## Year 7 - Unit One: Childhood

In this unit, you will develop skills in English Language and English Literature.

### English Language - Reading Assessment

You will:

**retrieve** four pieces of information from a piece of writing about childhood

**explore** the use of language in a piece of writing about childhood.

### English Language – Technical Accuracy Assessment

You will:

**identify** nouns, adjectives, adverbs and verbs in a piece of text.

### Additional Learning

**This Unit is ten weeks long, so you will not spend all your time working on assessments!**

You will also:

**develop** speaking and listening skills by taking part in activities like group work, drama and debates

**explore** the theme of childhood in creative writing, art and practical work, and through other media such as film and music.
