

## Year 7 - Unit Two: Magic and Mystery

In this unit, you will develop skills in English Language and English Literature.

### English Literature Assessment

You will:

- **Explore** the theme of magic and mystery in work of literature you have studied in class.

### English Language – Technical Accuracy Assessment

You will:

- **Identify and demarcate** a range of sentence types accurately.

### Additional Learning

**This Unit is ten weeks long, so you will not spend all your time working on assessments!**

You will also:

**develop** speaking and listening skills by taking part in activities like group work, drama and debates

**explore** the theme of childhood in creative writing, art and practical work, and through other media such as film and music.
