

Year 9 - Unit Four: Shakespeare

In this unit you will develop skills in English Literature

English Assessment – Literature

You will:

- **explore** the main themes and historical context of William Shakespeare's *Macbeth*.

English Language Assessment – Technical Accuracy

You will:

- **embed** subject-specific vocabulary seamlessly and grammatically within sentences

Additional Learning

This Unit runs for a term, so you will not spend all your time working on assessments!

- You will also:
- **develop** speaking and listening skills by taking part in activities like group work, drama and debates
- **explore** Shakespeare and his world further through literature, persuasive writing, art and practical work, and through other media such as film and music.
