

Year 9 - Unit Three: Creative Writing

In this Unit, you will develop skills in English Language

English Language Assessment – Writing

You will:

- **create** a piece of independent descriptive writing in a GCSE-style response.

English Language Assessment – Technical Accuracy

You will:

- Focus on sentence forms and the use of Standard English

Additional Learning

This Unit runs for half a term, so you will not spend all your time working on assessments!

- You will also:
- **develop** speaking and listening skills by taking part in activities like group work, drama and debates
- **explore** creative writing skills further through literature, persuasive writing, art and practical work, and through other media such as film and music.
