

Year 9 - Unit One: Crime and Detection

In this unit, you will develop skills in English Language and English Literature.

English Language - Reading Assessment

You will:

- ***select*** four pieces of true information from a piece of writing about crime.
- ***explore*** the use of language in a piece of writing about crime and detection.

English Language – Technical Accuracy Assessment

You will:

- ***learn*** key spellings for the analysis of language.

Additional Learning

This Unit runs for half a term, so you will not spend all your time working on assessments!

You will also:

develop speaking and listening skills by taking part in activities like group work, drama and debates

explore the theme of crime and detection in creative and persuasive writing, art and practical work, and through other media such as film and music.
