ヨーク松濤館空手道場

PLACES AVAILABLE

York Karate Club is pleased to confirm that we will be working with Millthorpe School to provide Karate classes during the school term - and we have places available! The classes are in the art of Shotokan Karate, a traditional martial art focusing on self-discipline, dedication and self-defence. The classes will be taught by Sensei Simon Flint, 3rd Dan black belt, former England international and national medal winner.

Classes will be held after school in the school hall every Thursday (starting 22 September)

Classes start straight after school and finish at 4:45pm.

Classes available to all children in year groups 7 and 8.

To register for the class, simply contact York Karate via:

Email: info@yorkkarate.net

Phone/text: 07814545013

Please quote your name and the school your child attends. We will then be able to let you know if your child has a place in the class.

Classes are just £40 for the term. If your child has a place, we will provide you with details on how to register and pay for the classes.

Don't hesitate to contact us should you wish to find out more about the classes or Karate.

Regards
