

Millthorpe -

A Fair Trade School

Our Aim:

Millthorpe School has embarked on a new project aided by the student led Fair Trade steering group. ***Our aim for the academic year beginning September 2011 is for Millthorpe to gain Fair Trade school status.***

What is Fair Trade?

Fair Trade is an organised social movement and market based approach that aims to support producers in developing countries and make better trading conditions and promote sustainability.

How YOU can help:

In order to become a Fair Trade school, Millthorpe needs to meet certain criteria. This is where **YOU** come in.

We are encouraging you, when buying uniform, clothes in general, food or even a simple chocolate bar, to try and purchase Fair Trade items.

Buying Fair Trade ensures that the product is produced ethically, with a fair wage and safe working conditions for the producers.

So when you are shopping for your new school uniform this summer - **Think Fair Trade!**

Back to School Fairtrade cotton blend trousers

Fair Trade clothes can be purchased from:

Tesco:

<http://www.clothingattesco.com/>
From £5.00

Marks and Spencer:

<http://www.marksandspencer.com/> From £5.00

Fair Trade food can also be purchased from these two stores if your child wants a delicious packed lunch.

Tradecraft also sells many Fair Trade products:

<http://www.traidcraftshop.co.uk/>

Fairer World (on Gillygate) also stocks a wide range of Fair Trade products
