Dear Parent or Carer,

Many thanks to all of you who were able to attend the meeting on December 5th. This letter is primarily for those parents who were unable to attend.

Firstly, all the information given out that evening is now available on the school website. Navigate to the homepage and click on the link entitled "2012 Krakow Trip Information". However can I please draw your attention to two pieces of information?

One is that all students need to be in possession of a European Health Card before they leave. This card entitles them to emergency health care in Poland and is available, free of charge, from www.ehic.org.uk.

Two is that to alleviate any problems with lost or misplaced passports, we are intending to collect your child's passport in advance of our departure date. To that end, please could your child bring their passport and European Health Card into school between Tuesday 3rd January and Friday 20th January 2012. It needs to be in a sealed envelope marked with your child's full name and form and should be handed either to myself or Miss Parr. It will be locked away in the school safe until our departure date.

Lastly, as a reminder for all parents – could you please ensure that the Polish Zloty that your child brings with you on the trip is contained in an envelope marked with their name and the amount contained within, to assist us in collection and banking during the trip itself. All Sterling should be kept separate and is your child's responsibility throughout the trip.

If you have any questions or queries about any of this please contact me at school.

Yours sincerely,

Ivan Noble
