Work Experience Parental Consultation Evening - Wednesday 25 January 2012

Work Experience for the Year 10 students will take place between 9 and 20 July 2012. This will be the first experience most Millthorpe students have had of working in an adult environment. As such, it is essential that students and parents are aware of the process involved and work together to make informed choices.

This year we are holding a Work Experience Parental Consultation Evening. John Fletcher from NYBEP will be explaining the process and I will be highlighting the importance Millthorpe School attaches to Work Experience. There will be an opportunity for parents to ask questions regarding any part of the process.

The evening will take place in the Main Hall on Wednesday 25 January starting at 6.00pm. We anticipate that the evening will last approximately one hour. There is no limit on numbers attending but I would appreciate it if you would complete and return the reply slip advising us if you intend to come.

Yours faithfully
