

Assemblies

- Assemblies at Millthorpe usually take place in the main hall.
- Sometimes the assembly is for the whole school, sometimes a particular year group or house.
- I will be told by my form tutor when I will go assembly. This will be during form time and I will go with my form tutor and the students in my form.
- We will all sit quietly and listen to the instructions given by the teachers.
- The assembly will be used to give information to students. This may be given by teachers or sometimes someone from outside the school.
- There may be clapping, music playing, or videos shown.
- If I find assembly difficult or stressful, I can let my form tutor know or another member of staff and they will help me.
