

FORM TIME

- At Millthorpe, form time is from 8.40 until 9.05 every day.
- My form tutor will read out the daily bulletin to everyone in the classroom. This is to give me information about the day and week ahead.
- We sit at our desks quietly and listen to our form tutor. They will check we have all our equipment, for example: pens, pencil, ruler, and planner.
- My form will include people I already know and some I do not know yet.
- My form tutor is there to support me and if I find form time difficult my tutor will help me.
- I will go to assembly at least once a week with my form.
