Over the next two weeks you need to try to learn all of these spellings by heart. You will be tested on them in your final grammar test and in tutor time next week.

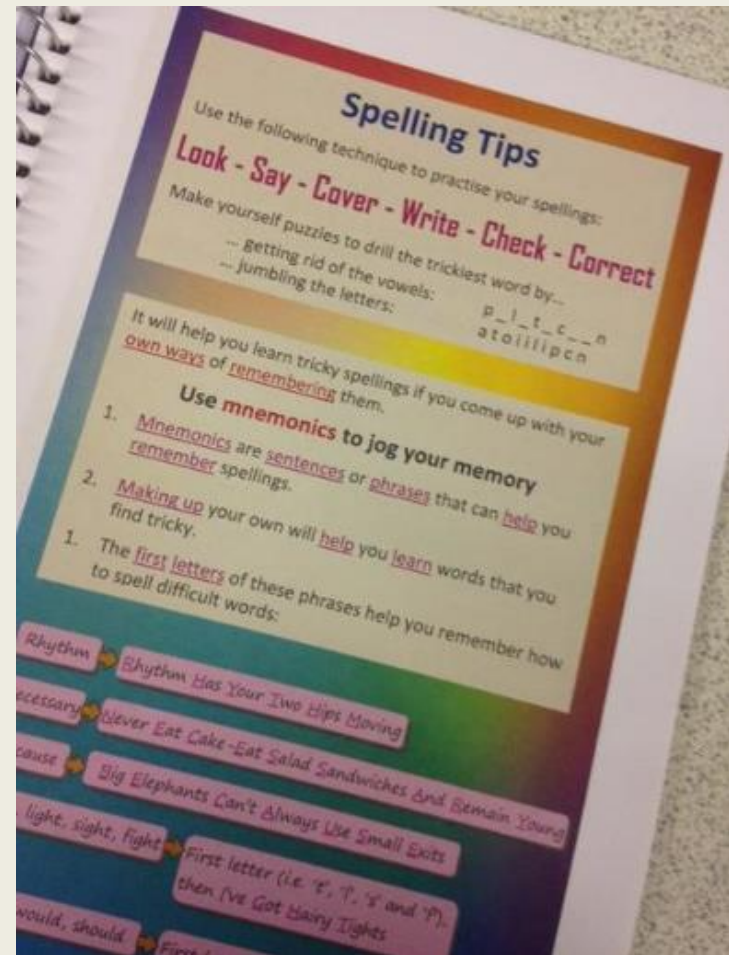

There are lots of ways you can do this and remember that you have a list of strategies in your planner.

Which spelling techniques did you use last time which you found successful?

Learning Strategies

Find the Spelling Tips page in your planner – it has several strategies to learn spellings by heart.

It can be found at the back of your planner on the literacy pages.

Spelling Free App

If you have a smart phone or tablet at home, you may be able to download the “Spelling Notebook Free” app.

It is a free app which allows you to create your own spellings lists really quickly and easily. It has practice and test functions, tracks your progress and knows to prompt you to spend more time on the words you don't yet know. You can even record your own voice saying the words to help you to test yourself.

Remember to ask your parent/carer's permission before downloading anything.
