

Apostrophes for contraction or omission.

Apostrophes are used where
letters have been missed out
from a word.

do not

don't

I am

I'm

they are

they're

it is

it's

Apostrophes for contraction or omission are used for words where a letter or letters have been removed (omitted). This makes the word shorter. The apostrophe goes where the letter or letters would be.

TASK: Write the common contraction for each of the following words.

1. I am
2. We are
3. We have
4. It has
5. Would not
6. They are
7. You are
8. I have
9. I had
10. They had

Apostrophes for contraction or omission are used for words where a letter or letters have been removed (omitted). This makes the word shorter. The apostrophe goes where the letter or letters would be.

ANSWERS

TASK: Write the common contraction for each of the following words.

1. I am
