

Subject Specific Spellings

This week each of your teachers will give you three commonly misspelled words in their subject for you to learn as part of your homework for the next week.

Make sure you copy down the words correctly and don't forget to write down when you will be tested on them too!

TASK:

Start your independent learning now by picking one word for each subject from pages 29-50 in your SPaG book and writing them on your list.

Subject Specific Spellings

Pick a key word you can remember from your lessons recently – do you know how to spell it? Check in a dictionary if you are unsure.

Look through your French book and pick a word you have misspelled recently and which has been corrected.
